7. COIN TELEPHONE SERVICE

<p>7.1 Customer-Owned Pay Telephone (COPT) Coin Line Service</p> <p>.1 General</p> <p>a. <b>Effective 12/17/2012 this service is Obsolete.</b></p> <p>a. <b>Services are not offered for new installations, additions, moves, or changes. Maintenance for existing service is dependent upon existing available stock.</b></p> <p>b. <b>Obsolete services are furnished subject to all the rules and regulations of the Product Catalog the same as would be applicable if the service offering were not obsolete.</b></p> <p>b. Customer Owned Pay Telephone Service (COPT) is an exchange line service provided at the request of a certificated COPT provider for telecommunication use.</p> <p>c. Customer Owned Pay Telephone Service is provided for use with Individual Line Service.</p> <p>d. The carriage and completion of local messages are provided by BWTC.</p> <p>e. Customer Owned Pay Telephone Service for CPE is provided subject to the condition that telephone messages (local and long-distance) placed from stations which are accessible to the public are completed over Customer Owned Pay Telephone Service for CPE lines. Where Customer Owned Pay Telephone Service for CPE is provided, any type or grade of residence or business service offered regularly at that location may be furnished in addition, provided such residence or business service is confined to locations solely for use by the particular establishment.</p> <p>f. Customer-provided public telephones may not be attached to other types of access lines. A subscriber must use a separate Public Telephone Access line for each public telephone installed and will be billed the Product Catalog rate for each line.</p> <p>g. Vacation Service as specified in Section 2 of this Product Guide is not available to COPT Coin Line Service.</p> <p>.2 Responsibility of the Subscriber</p> <p>a. The subscriber shall be responsible for the installation, operation, and maintenance of any customer-provided telephones used in connection with this service. In addition, the subscriber is responsible for meeting all federal, state, and local statutes with respect to provision of customer-provided telephones in accordance with all hearing-impaired and handicapped person requirements.</p> <p>b. Customer-provided telephones must be connected to the BWTC network in compliance with Part 68 of the FCC Rules and Regulations.</p> <p>c. The subscriber shall comply with NH PUC Rules 400, Rules Governing Pay Telephone Service.</p>

7. COIN TELEPHONE SERVICE

<p>7.1 Customer-Owned Pay Telephone (COPT) (Continued)</p> <p>.5 Violations of Terms and Conditions</p> <p>a. Where any customer-provided telephone is used and/or connected in violation of this Product Catalog, BWTC will promptly notify the customer of the violation.</p> <p>b. Failure of the subscriber to discontinue such use or to correct the violation will result in the suspension or disconnection within five business days after written notification of the subscriber's service until such time as the subscriber complies with the provisions of this Product Catalog.</p> <p>.6 Optional Service Features</p> <p>a. Central Office Blocking with Operator Screening</p> <p>Where facilities permit, Central Office Blocking with Operator Screening is offered to provide a choice of restrictions at the subscriber's option. These options will be available where Customer Owned Pay Telephone Service for CPE is provided. Outward Only service will be provided at the customer's request. Options are provided as follows at rates and charges specified in 7.1.7.3:</p> <p>1) <u>Option 1</u> – Direct Dialed Screening - Provides central office blocking of all direct dialed "1" plus calls except to toll free "800" numbers.</p> <p>2) <u>Option 2</u> – Operator Screening - Provides screening information to the operator to prevent operator assisted, sent-paid calls from being billed to the line.</p> <p>3) <u>Option 3</u> – Terminating Number Screening - Provides for automatic blocking of third number billing, collect billing, or both.</p> <p>b. Answer Supervision</p> <p>1) Answer Supervision is the line side functionality that provides an electrical signal to the calling end of a switched telephone connection when the called line goes off-hook. Customer-Owned Pay Telephone (COPT) Answer Supervision will be provided for use with Customer Owned Pay Telephone Service as specified in Section 7.1.7.3 to assist in determining when billing for a specific call should commence.</p>
